

Package: alabaster.schemas (via r-universe)

June 30, 2024

Title Schemas for the Alabaster Framework

Version 1.5.0

Date 2023-11-09

License MIT + file LICENSE

Description Stores all schemas required by various alabaster.* packages. No computation should be performed by this package, as that is handled by alabaster.base. We use a separate package instead of storing the schemas in alabaster.base itself, to avoid conflating management of the schemas with code maintenance.

RoxygenNote 7.2.3
