

Package: assorthead (via r-universe)

November 19, 2024

Version 1.1.4

Date 2024-11-18

Title Assorted Header-Only C++ Libraries

Description Vendors an assortment of useful header-only C++ libraries. Bioconductor packages can use these libraries in their own C++ code by `LinkingTo` this package without introducing any additional dependencies. The use of a central repository avoids duplicate vendoring of libraries across multiple R packages, and enables better coordination of version updates across cohorts of interdependent C++ libraries.
